### Draft Decisions for CFS 44 Plenary

#### OUTCOMES OF THE WORK OF THE OPEN ENDED WORKING GROUP ON MONITORING

##### MATTERS TO BE BROUGHT TO THE ATTENTION OF THE COMMITTEE

The Committee considered the document CFS 2017/44/x "Monitoring the implementation of CFS main policy products and other CFS policy recommendations", presented by Mr. Robert Sabiiti (Uganda), Chair of the Open-Ended Working Group (OEWG) on Monitoring.

The Committee:

- a) Expresses its appreciation for the work of the OEWG on Monitoring.
- b) Endorses the document (CFS 2017/44/x) that outlines the approach to monitoring the implementation of CFS main policy products, in accordance with CFS 43 decisions (CFS 2016/43 Final Report and CFS 2016/43/7), and CFS other policy recommendations, as follows:
  - CFS main policy products through holding a Global Thematic Event in Plenary every two years; and
  - Other CFS policy recommendations through holding events on an *ad hoc* basis, considering the relevance and potential contribution of monitoring these recommendations to the global food security and nutrition agenda. The events will be organized during the Plenary week or the intersessional period depending *inter alia* on specific objectives and the timeframe for contributing to the global agenda.
- c) Agrees to hold the next two Global Thematic Events during CFS 45 and CFS 47 to share experiences and take stock of the use and application of xxx in 2018 and yyy in 2020;
- d) Requests the Bureau, in consultation with the Advisory Group, to decide on the organization of the events for monitoring CFS policy recommendations, subject to resource availability;
- e) Requests the Bureau, in consultation with the Advisory Group, to oversee the preparation of the GTEs in plenary and of the events organized for monitoring the other CFS policy recommendations during the plenary week or the intersessional periods (**wording to be aligned with MYPoW 2018/2019**).
