

CSM Forum 2014

Draft Agenda

11- 12 October 2014

FAO Headquarters - GREEN ROOM

The CSM Forum 2014 will be structured along the four themes:

1. The overall assessment of the CFS 5 years after its reform: achievements, shortcomings, challenges ahead

This part would include an analysis on:

- the achievements and shortcomings of CFS decisions and processes
- the potentials and limitations of the multi-stakeholder approach
- the differentiated views of constituencies

2. The impact and effectiveness of the CSM itself

This part would include an analysis of:

- The main results of the external evaluation
- Assessing process and outcome of this year's work streams
- the differentiated views of constituencies

3. Preparing CSO interventions to CFS 41 items

- Responsible agricultural investment (rai)
- Agenda for Action on Protracted crises (A4A)
- Monitoring and accountability
- Food losses and waste (FLW)
- Fisheries and aquaculture
- Multi Year Program of Work (MYPoW)
- Linkages session: Post 2015 framework and CAADP/NEPAD Africa
- 10 Years Right to Food Guidelines
- International Year of Family Farming IYFF
- Other issues:
 - a. Global Strategic Framework
 - b. Rules and Procedure

4. Looking ahead

The agenda of the CSM ahead: priorities and strategies of the CSM for 2015 and beyond
