

CFS 43 – Monitoring Draft Decision

MATTERS TO BE BROUGHT TO THE ATTENTION OF THE COMMITTEE

The Committee considered the document CFS 2016/43/7 "Terms of reference to share experiences and good practices in applying CFS decisions and recommendations through organizing events at national, regional and global levels", presented by Mr. Robert Sabiiti (Uganda), Chair of the Open-Ended Working Group (OEWG) on Monitoring.

The Committee:

- a) Expresses its appreciation for the work of the OEWG on Monitoring;
- b) Endorses the document (CFS 2016/43/7) that provides guidance to food security and nutrition stakeholders on sharing their experiences and good practices in implementing CFS decisions and recommendations, as a contribution towards the incremental development of an innovative monitoring mechanism. The document also serves as a framework for food security and nutrition stakeholders to contribute to global thematic events that are planned to be organized on a regular basis, subject to available resources, within CFS Plenary sessions for taking stock of the use and application of CFS decisions and recommendations, starting with CFS major, strategic and catalytic products. The document was prepared in accordance with the CFS decision at CFS 42 (CFS 2015/42 Report);
- c) As endorsed at CFS 41, CFS encourages stakeholders to continue to share their experiences and best practices on a voluntary basis through organizing events at global, regional and national levels, applying the recommended approach in document CFS 2016/43/07, subject to available resources.
