- Provisional translations of the HLPE Report on Sustainable Forestry for Food Security and Nutrition is now available!

1. UPDATES ON CFS PROCESSES

Information on registration

We remind you all that the deadline to register to the CSM Forum (7-8 October) and the CFS 44 Plenary Week (9-13 October) is 18 September 2017!

To proceed registering to the CSM Forum please click this [link](#) and follow the two steps highlighted! If you are only planning to attend CFS 44 Plenary week you can go directly to this [link](#).

Unfortunately the CSM is no able to fund participation, besides the CSM members of the Coordination Committee, but we strongly encourage participating as self-funded.

The CSM Forum will take place in the Green Room at FAO HQs in Rome. The agenda will be circulated before the end of September.

To learn more on the CSM Forum and to keep updated through our dedicated page on the website visit this [link](#). For any further clarification and enquire please write to csmforum2017@gmail.com

Update on CSM Side Events @ CFS 44

All CSM Proposals for the side events at CFS 44 were approved! Please visit this [dedicated page](#) to see the side events themes and to keep updated to learn more about the speakers in the coming weeks!

Calendar of upcoming CFS and CSM meetings towards CFS 44
