

## **PROGRAMME OF THE CFS MYPoW SECOND OPEN MEETING – 17 APRIL 2019 9.30-12.30 and 14.00-17.00 – GREEN ROOM, FAO**

The purpose of this second open meeting is to discuss the MYPoW “Zero Draft” and seek feedback from CFS stakeholders.

In the first open meeting, CFS stakeholders listened to and debated the preliminary proposals, paying particular attention to the rationale, objectives and the expected outcomes.

Following the first open meeting, the CFS Bureau decided to drop the proposals on (i) “Water Management for FSN”, and (ii) “Urbanization and Rural Transformation”, as they received insufficient support. The Bureau also noted that a number of the elements outlined in the proposal on “Fostering Farmers’ Access to Innovation” are already included in the workstream on “Agroecological Practices and Other Innovations” which will commence following CFS 46.

In this second open meeting, participants will have the opportunity to share views and comments on the “Zero Draft”, to give guidance to the Secretariat for developing the next draft, and to inform the Bureau of respective stakeholder positions.
