STEP 1

The CSM Forum will take place on 13 and 14 of October 2018 in Rome. This year we have created a google form to help us in the registration process and support the improvement of data collection for the CSM.

Please click here to access and fill the google form! Thanks in advance for taking the time to fill out the form! There is a unique form for the three languages English (EN), French (FR) and Spanish (ES). All information collected will only be used for registration purposes and anonymous data collection. After completing this step related to the CSM Forum please

proceed registering also to CFS 45th Plenary Session. As previous years, in order to access the CSM Forum you will need to register also to the CFS 45th Plenary Session portal. This step will allow you to get a building pass to enter FAO HQs. This step is necessary even if you don't plan to attend the CFS Plenary week.

STEP 2

To register to the CFS 45th Plenary Session (15-19 of October) please link here and follow all the instructions highlighted. You will receive an email from CFS approving your application during the month of September.
