Specific timelines for the other priorities in the CSM Workplan are to be developed by the respective Working Groups within the CSM, with support of the CSM Secretariat,

particularly for:

- Process on Data and Food Systems (to be developed by the CSM WG on Data)
- Process on Monitoring RAI (to be developed by the CSM Core Monitoring Group on RAI)
- Policy Response on COVID-19 (to be developed by the CSM Task on Covid-19)
- FSS implications on CFS follow-up discussion (to be developed by the CSM Liaison Group for the counter-mobilizations to the FSS)

- Global Food Governance discussion (to be developed by the CSM WG on Global Food Governance)
- Inequalities process (for the e-consultation, under the responsibility of the CSM WG on Global Food Governance, then to be developed by the newly established CSM WG on Inequalities)
- CSM Secretariat transition (to be developed by the CSM Secretariat)
- CSM Subregional and constituency exchanges (to be developed by the CSM Secretariat, in consultation with CC members from constituency and subregions)
